

# THE BEAUMONTS

Our vision is to reach everyone globally with the Gospel. We are recruiting, training, and sending out missionaries to reach the unreached in areas that have never heard the Gospel.

Jeremy and Anne joined Global Fellowship as home office staff in July 2014. They direct mobilization (recruiting of new missionaries) and the pre-field training (as well as on-going training) of all missionaries. After 11 years in youth ministry in the U.S., Jeremy and Anne carry with them a passion for reaching the unreached youth of our world.

Recognizing that the teen to 20's demographic is ripe for gospel transformation they desire to send out youth-focused missionaries as members of church planting teams. They have 3 kids who travel and work with them; Juliana, William, and Luke.
