

PREPARING TO SERVE
IN A CLOSED COUNTRY

MEET WES + NAT

Wes and Nat have been serving among the unreached Muslims for the last 4 years in the small Balkan country, Macedonia. They are currently visiting the states for the birth of their 2nd child, who is due this winter. After their son's birth and all their final preparations are ready, Wes and Nat are relocating to the Middle East.

Their vision is to establish a prayer house for intercession and worship in a strategic city. They will also join an existing online evangelism network to make disciples and build Christ's church.

BE PART OF REACHING A CLOSED COUNTRY WITH THE GOSPEL

You can partner with the Wes + Nat by donating to their ministry and joining the prayer network that is dedicated to covering Global Fellowship's missionaries in prayer.
